Q & A #1 to Request for Proposals (RFP) Offender Case Management System Project No. DPSCS ITCD 2008-30

March 25, 2008

Ladies and Gentlemen:

The following questions, for the above referenced RFP, were received by e-mail and are answered and posted for all Offerors:

- 1. Question:** Could the submission date and time be extended to May 2nd 2008 so that a thorough, effective and reasoned response may be provided to Maryland in this important project?

Answer: There are still nearly four weeks until the proposal due date and accordingly, it is premature to extend the due date. It is our obligation to be certain the Offerors have sufficient time to respond to the RFP after we see what amendments we make and how soon we answer the questions. We will consider your request in light of these factors when we complete all of our required actions and make a judgment then about whether an extension is warranted.
